TRANSFER CREDIT POLICIES

Pass/Fail, extra credit, home study courses, correspondence courses, terminal or vocational courses do not transfer. Online courses however are eligible for transfer	Students completing more than one degree (not a second major) must complete an extra 30 hours for their second degree in residence (at Virginia Tech) - NO EXCEPTIONS
Only courses with a grade (or grade equivalent) of "C" or better will transfer	If you're completing more than one degree (not a 2 nd major) only courses for your primary degree will transfer
Only credits transfer (you receive transfer-credit (T), so grades do not transfer)	To graduate, at least 25% of total credits for major(s) and minor(s) must be taken at Virginia Tech
Transfer credits do not affect GPA, but if applying to graduate school, transcripts may be examined	Of the last 45 hours before graduation, only 18 semester hours will transfer from another institution
A course passed at VT takes priority over a transfer equivalent course (be careful of course duplications)	Authorization is denied if you are on academic suspension when you take the course(s)
