## Student Success @ VT

. . . .

Promotes student learning and development by providing resources and support services to all undergraduate students at the institution. Our focus is on enhancing student persistence, educational attainment, academic achievement, student advancement, and holistic development.

- Attend Class!
- Check and read your VT email
- STUDY!
- Recommended that students spend around 2 hours of studying for every 1 hour you are in class
  - If you are in 15 credit hours then you should be studying for 30 hours.
- Attend faculty office hours and help sessions if they are available
- Meet with your advisor at least once a semester
- Time Management
- Don't be afraid to ask for help

### Student Success Center

The Student Success Center offers individual and group tutoring for most 1000 and 2000 level courses in addition to offering success seminars around time management, test-taking strategies, overcoming procrastination, and many more. They also offer Peer Academic Coaching to assist in developing your academic success skills.

### Writing Center

The Virginia Tech Writing Center is a free service for all Virginia Tech undergraduate and graduate students, faculty, and staff. They are located in Newman Library on the second floor Learning Commons, just past the elevators. They help students with writing assignments from any university course. They also help with writing projects that are not linked to classes.

### Mental Health and Wellbeing

Mental health is health. And we believe that when it comes to mental health at VT, we are Better Together. Mental health is an essential component of well-being, and VT offers the following resources and support services:

- Cook Counseling Center: Counselors, Psychiatric Care, 24 hour crisis support
- Timely Care: Virtual mental health support with counselors, a TalkNow option, health coaching and more
- Dean of Students: Academic Support and Crisis Support
- Women's Center: Gender-based Violence Support and Advocacy

Here to serve students who have or think they may have disabilities. They provide numerous accommodations, services, and resources for students with disabilities and temporary injuries or illnesses

SSD also provides both in-person academic coaching and practical help for everyone in their Academic Coaching Nook.

#### Accessible Information Management

Accessible Information Management (or AIM for short) is SSD's new online portal for students and instructors to see and manage accommodations related information.

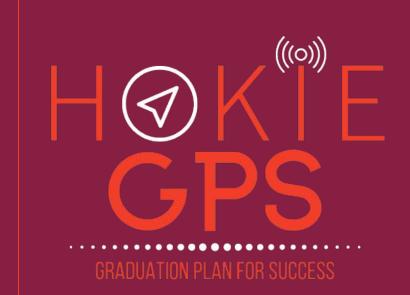

AIM-Accessible Information Management

## **Academic Planning**

Hokie Graduation Plan for Success (GPS) https://student.advising.vt.edu/

• • • •

Academic Planning is essential to creating a plan for your time at Virginia Tech. Our Advising Ambassadors can assist by teaching you how to use our Hokie GPS (Graduation Plan for Success) tool to create your academic plan in your first semester.

- Change of major applications will be available on HokieSPA in May once spring grades have been posted
- Students interested in changing their major:
  - Outside of their admitted college can meet with Transitional Advising to discuss their prospective major and determine the applicable classes
  - Within their admitted college should talk to their academic advisor about the policies within that college

https://www.universitystudies.vt.edu/transitional-advising.html

Offers students the opportunity to work with an advisor one-on-one and is intended for students who are in transition out of a particular major for various reasons and/or need assistance when not accepted into their desired major.

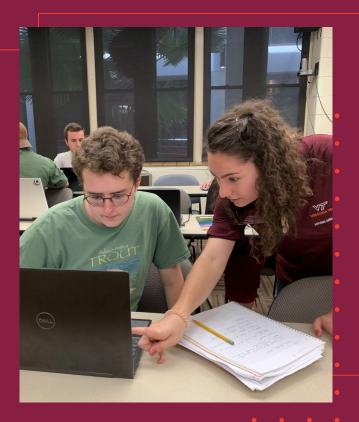

## What is Academic Advising?

• • •

Advising at Virginia Tech is a collaborative process between student and advisor, empowering students to make informed academic and career decisions.

### Finding your Classes

First, find your spring
 schedule on HokieSPA under
 Course Registration and
 Schedule Menu → Class
 Student Schedule → Detail
 Schedule for Spring 2024

## Finding your Classes

 On this screen you will see the location abbreviation under the location column. Click the word location in blue and you will get a list of abbreviations

 Match the abbreviation on your schedule to the building name and utilize a campus map, or apple/google maps to find the building
